ITEM: (Select One) <input checked="" type="checkbox"/> Consent Agenda <input type="checkbox"/> Brought Before the Board Time needed:	
SUBJECT: Rental Rates, Fees, & Charges for the Franklin County RV Park	
FISCAL IMPACT: Increase in transient rent, elimination of sewer dump revenue and elimination of online one-night deposit	
BACKGROUND: The RV Park would like to raise the daily rate for both of the 2 types of sites, full hookups and water & power only. This raise in the daily rates is to reduce direct competition with other local RV Parks like the KOA. We also want to make the rates a flat amount with taxes inclusive. We would also change the type of discount given to qualified guests to a flat amount as well. The RV Park would also like to eliminate the sewer dump fees and include the service (if available) to all guests.	
RECOMMENDATION: Eliminate the sewer dump fees and include the service with the daily rate (if available). Eliminate online deposit charges. Increase the daily full hook-up rate to \$45.00 with taxes included and \$40.00 with taxes if discounted. Increase the daily water & power only rate to \$40.00 with taxes and \$35.00 with taxes if discounted. Full hook-up weekly rates would be \$275.00 after tax and \$240.00 after tax if discounted. Water & power only weekly rates would be \$245.00 after tax and \$210.00 after tax if discounted.
