By accepting this assurance, the Sponsor agrees to compile data, maintain records, and submit records and reports as required, to permit effective enforcement of nondiscrimination laws and permit authorized USDA personnel during hours of program

operation to review and copy such records, books, and accounts, access such facilities and interview such personnel as needed to ascertain compliance with the nondiscrimination laws. If there are any violations of this assurance, the Department of Agriculture, FNS, shall have the right to seek judicial enforcement of this assurance. - 5.1 Inventories of Food and Supplies. Before the commencement of this contract, the existing food and operational supplies shall be delivered and charged to the FSMC for the performance of this contract. The value of existing food and supplies shall be deducted from the first FSMC invoice to the SPONSOR. The cost of food and operational supplies ordered by FSMC on behalf of the SPONSOR in performance of this contract shall be paid for by the FSMC. The inventory of food and operational supplies shall remain the FSMC's property.
- A. Any federally USDA donated foods received by the SPONSOR and made available to the FSMC must be used only for the benefit of the SPONSOR's nonprofit food service operation and must be fully utilized, including all donated ground beef and ground pork and all end products received from processors. [7 CFR 250.51(d)] Bonus commodity items must be used to reduce the per meal charges of the FSMC.
  - B. The FSMC must use all other donated foods, or will use commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in the SPONSOR's food service. [7 CFR 250.53(a)(6)]

  - D. The FSMC agrees to procure processed end products on behalf of the SPONSOR in accordance with 7 CFR 250.

- 5.2 Small Wares. The FSMC shall furnish the necessary small wares, including trays, dishes, glassware, flatware, serving utensils, and the like.

- 5.3 Office Facilities. The SPONSOR shall provide, without cost to the FSMC, suitable office facilities, including furniture and equipment, for use by the FSMC in performance of this contract. The FSMC shall take reasonable care of the office facilities and equipment, and shall return them to the SPONSOR in good condition upon termination of this contract, ordinary wear and tear excepted. Office facilities and equipment shall be provided by the SPONSOR only for the management staff employed to carry out school food service operations for the SPONSOR. No office facilities or equipment shall be provided for FSMC regional or area managers or other FSMC corporate officers.
- 5.4 Sanitation. The FSMC shall be responsible for usual and customary cleaning and sanitation of the SPONSOR's food service kitchen facilities.

  - B. The SPONSOR shall be responsible for the required cleaning and maintenance of dining areas and snack bar seating areas beyond the front edge of the serving lines, as well as periodic cleaning of all ceilings, ceiling fixtures, air ducts, and hood vent systems (as per local ordinance). The SPONSOR shall also provide and maintain adequate fire extinguishing equipment for food service areas, provide necessary pest control, and shall be responsible for the removal of refuse from refuse collection centers.
  - C. If the SPONSOR is unable to perform any of its responsibilities described in subparagraph B above, the FSMC shall temporarily assume those responsibilities and shall bill the SPONSOR for actual costs incurred.
  - D. The FSMC shall be responsible for complying with all applicable federal, state, and municipal laws related to food preparation and sanitation and all rules and regulations promulgated thereunder. The SPONSOR shall be responsible for compliance relating to structural and equipment matters.
- 5.5 Maintenance. The SPONSOR shall be responsible for cleaning and maintaining food service facilities and equipment. If the SPONSOR is unable to perform the work, the FSMC shall temporarily assume those responsibilities and shall bill the SPONSOR for any costs incurred.
- 5.6 Condition of Facilities and Equipment. The SPONSOR shall obtain necessary health permits and certification for its facilities. The premises and equipment provided by each party in performance of this contract shall comply with all applicable building, safety, sanitation, and health laws; and shall satisfy all permit requirements, ordinances, rules, and regulations, including the federal Occupational Health and Safety Act of 1970 or applicable state act and standards promulgated thereunder. FSMC shall take reasonable and proper care of all premises and equipment in its custody and control and shall use them in a manner that will not cause violation of applicable laws, ordinances, rules, and

regulations, including any reporting and recordkeeping requirements. If at any time the FSMC is notified by an authorized government agency that the SPONSOR's premises or equipment are not in compliance with any law, ordinance, rule, or regulation, the FSMC shall immediately inform the SPONSOR of such notification.

- 5.8 Nonconforming Facilities and Equipment. The SPONSOR shall make all necessary repairs, alterations, modifications, or replacements to correct any conditions of premises or equipment, which violate applicable building, sanitation, health, or safety laws, ordinances, rules or regulations.

## ARTICLE VI FINANCIAL AND PAYMENT TERMS

- 6.1 Fixed Price Per Meal. The SPONSOR and the FSMC have mutually agreed upon the per meal charge on each invoice shall reflect no more than the per meal cost scale per Attachment G.

The SPONSOR will not pay for unconsumed meals prepared in excess of the counts provided by Master Control.

Per snack charge on each invoice shall reflect no more than \$.50 (fifty cents) per snack. (7 CFR 210.16(c))

Special catering functions, staff coffee service, medical purchases and other auxiliary food services requested of the FSMC in advance by the Counties may be provided by the FSMC and billed to the SPONSOR at a price agreed upon prior to each requested function.

The SPONSOR will not pay for any meals that are spoiled, nor will the SPONSOR pay for any meals that do not meet National School Lunch Program (NSLP) Requirements.

Future fixed price increases will be limited to the percentage of change in the Consumer Price Index for All Urban Consumers: U.S. City Average – Food Away From Home for the 12-month period ending March of the current contract year.

- 6.2 Meal Equivalent Defined.

For fixed price per meal purposes, each reimbursable lunch shall be considered one (1) meal/meal equivalent, each reimbursable breakfast shall be considered two-thirds (2/3) of a meal/meal equivalent, and one reimbursable snack shall be considered one-third (1/3) of a meal/meal equivalent.

For cash meal sales other than reimbursable meals, the number of meal equivalents shall be determined by dividing the total of all food sales except reimbursable meal and snack sales (including sales of adult meals, a la carte meals, snack bar, catering, conference, and any other function sales) by the current USDA free lunch meal reimbursement rate plus the USDA donated foods value.

- 6.3 Billings to SPONSOR. No sales tax applies to FSMC invoices for managing the food service operation of the SPONSOR.
- A. The maximum total amount payable by the SPONSOR to the FSMC under this Contract shall not exceed Four Hundred Thirty Thousand Dollars (\$430,000.00).
- 6.4 Crediting Value of USDA Donated Foods Received. The FSMC must credit the SPONSOR for the value of all USDA donated food received, entitlement and bonus, for use in the SPONSOR's meal service in the school year. This includes the value of USDA donated food contained in processed end products. [7 CFR 250.51(a)] The FSMC shall list on the invoice the value of USDA donated foods received for the period and deduct the amount of value from the total owed by SPONSOR for the meal equivalents served. The value of USDA donated foods for entitlement and bonus is the average USDA purchase price as listed by OSPI CNS. For processed USDA donated foods, it is the processing contract value in addition to the USDA/OSPI assigned average value. When the SPONSOR pays OSPI CNS for the processing and shipping fees, that amount is added to the value of USDA foods received to come up with the total adjustment to the monthly FSMC billing. When the FSMC pays the processing and shipping fees, they will only credit the SPONSOR for the value of USDA foods received.
- 6.5 Invoice Due Date. The SPONSOR shall pay the FSMC for services rendered in the month following the actual delivery of work and will remit payment within thirty (30) days from the date of receipt of the invoice. The FSMC will be notified immediately of any invoice that does not pass audit. The SPONSOR shall pay all amounts when due. If the SPONSOR does not make a payment when due, the FSMC may charge interest up to one percent (1%) per month on the past due receivable as allowed by state law (RCW 39.76.011). However, the SPONSOR may not pay interest with funds from the nonprofit school food service account funds.
- 6.6 Break-Even Guarantee. Both parties shall work together to ensure a financially sound and well-run operation. The FSMC shall guarantee that the food service program will achieve, at a minimum, financial break-even, defined, as "generated program revenues will be sufficient to cover all actual and direct operating costs and unrestricted indirect costs incurred by both the SPONSOR and the FSMC." If the SPONSOR makes a net profit in the food service account after deducting operating and indirect expenditures from all food service receipts and all federal and state meal reimbursements, the SPONSOR must deposit the net income back into the food service account.
- 6.7 Taxes. If during the term of this contract any taxes are added or deleted, or there is a revision of an existing law or regulation such that the responsibility for any tax is shifted

or altered, any of which results in increased or decreased costs to the FSMC, then the financial terms of this contract shall be adjusted to reflect the cost change retroactive to the commencement of the change. The obligations described in this paragraph shall survive any termination of this contract, and will continue until the applicable statute of limitations, including legal extensions, has expired. Both parties shall indemnify each other against any:

- Liability or assessment, including related interest and penalties, resulting from a tax responsibility of the indemnifying party.
- Reasonable collection expense, attorney's fees, and costs incurred in connection with the collection of any such amount from the indemnifying party.

Nothing herein is intended to absolve the FSMC from payment of taxes.

6.8 Documents to SPONSOR. The FSMC shall submit the following supporting documents to the SPONSOR monthly:

- Daily meal counts by eligibility category by school site for each program in order to meet claim deadlines.
- Daily menu production records by program.
- Monthly summary of value of USDA donated foods received.
- Monthly summary of revenues from other sales.
- Monthly operating statements to the SPONSOR by the fifteenth (15th) of the next month. This statement shall reflect all activity for the previous calendar month.
- Invoices that show the FSMC has credited the SPONSOR for the value of all USDA donated foods received for use in the SPONSOR's food service in the school year, including the value of USDA donated foods contained in processed end products. [7 CFR 250.54]
- Evidence of the FSMC's procurement of processed end products on behalf of the SPONSOR.

6.9 Inspection of Books and Records. The books and records of the FSMC pertaining to operations under this contract shall be available to representatives of the SPONSOR, OSPI, USDA, and the US General Accounting Office at any reasonable time and place.

6.10 Renegotiation of Financial Terms. OSPI CNS must review and approve any material changes to the contract. The renegotiation of price terms under this contract is permitted only upon the occurrence of unpredictable, unexpected conditions beyond the control of both parties. If such conditions create a significant and material change in the financial assumptions upon which the price terms of this contract are based, then those price terms so affected may be renegotiated by the parties but only with the prior approval by OSPI CNS. Renegotiation of price terms under such conditions must be mutual, and any changes in price terms must be agreed upon by both parties. Any adjustments so negotiated and agreed upon must accurately reflect the change in conditions. The occurrence of contingencies that are foreseeable and predictable, but not certain, should be calculated into the defined price terms to the extent possible, with the goal of minimizing the need for renegotiation of price terms during the term of the contract. If

the renegotiation exceeds ten percent (10%) of the original contract value, the contract must be re-bid.

6.11 Cost Reimbursement – (*Applicable to FFVP only*). Allowable costs will be paid from the nonprofit school food service account to the FSMC net of all discounts, rebates, and other applicable credits accruing to or received by the FSMC or assignee under contract, to the extent those credits are allocable to the allowable portion of costs billed to the SFA. [7 CFR 210.21(f)(1)(i)]

- A. The FSMC must separately identify on the invoice submitted to the SFA the amount of that cost that is allowable and the amount that is unallowable. [7 CFR 210.21(f)(1)(ii)(A)]
- B. Or the FSMC must exclude all unallowable costs from its invoices and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification. [7 CFR 210.21(f)(1)(ii)(B)]
- C. FSMC determination of allowable costs shall be made in compliance with USDA and NSLP regulations and OMB cost circulars. [7 CFR 210.21(f)(1)(iii)]
- D. The FSMC must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the SFA for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the OSPI, the SFA may permit the FSMC to report this information on a less frequent basis than monthly, but no less frequently than annually. [7 CFR 210.21(f)(1)(iv)]
- E. FSMC shall identify the method by which it will report discounts, rebates and other credits that are allocable to the contract but not reported prior to expiration of the agreement. [7 CFR 210.21(f)(1)(v)]
- F. The FSMC must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the SFA, OSPI, or the Department. [7 CFR 210.21(f)(1)(vi)]

6.12 Nonprogram Foods. For fixed price per meal contracts, awarded on a per meal basis and with revenues from nonprogram foods sales converted into meal equivalents to which the fixed price cost is applied, the FSMC will annually provide information on food costs and revenues. The information must include food cost for reimbursable meals, food cost for non-program foods, revenue from non-program foods, and total revenue. Nonprogram foods include: a la carte; catering; vending; and student stores operated, or any other sales generated through the nonprofit school food service account not already described. The FSMC will be responsible for providing the SFA with, or calculating nonprogram food costs and program revenues for compliance with the 7 CFR Part 210.14(f)

ARTICLE VII

[7 CFR 225.6(h)(2)(xiii)]

[7 CFR 210.16(c)(3), 7 CFR 226.6(i)(7)] No deduction in payment shall be made by the SPONSOR unless the SPONSOR notifies the FSMC in writing within forty-eight (48) hours of the meal service for which the deduction is to be made, specifying the number of meals for which a deduction is to be made and describing the reasons for the deduction. Neither USDA nor OSPI assumes any liability for payment of differences between the number of SFSP meals delivered/prepared by the FSMC and the number of SFSP meals served by the sponsor that are eligible for reimbursement. [7 CFR 225.6(h)(2)(ix)]
- 7.4 Record Keeping. The FSMC shall make available, as required by state and federal regulations, all facilities, books, and records pertaining to food service operations available for onsite review by the SPONSOR, OSPI, the Washington State Auditor, the USDA, and the Comptroller General, or their duly authorized representatives, to ensure compliance with program requirements and the management and use of USDA donated foods. The FSMC shall maintain such records, for a period of not less than three (3) years after submission of the final claim for reimbursement for the fiscal year, as needed by the SPONSOR to support its claims for federal and state reimbursements; or from the date of receipt of final payment under the contract; or in cases where an audit requested by OSPI CNS or USDA remains unresolved, until such time as the audit is resolved. The FSMC shall submit monthly to the SPONSOR a meal reimbursement claim report including all meals served under all programs operated by the SPONSOR for the SPONSOR to submit to OSPI CNS. [7 CFR 210.16(c)(1), 7 CFR 210.23(c), 7 CFR 225.6(h)(vii), 7CFR 226.6(i)(5)]

The SPONSOR must conduct a reconciliation at least annually (and upon termination of the contract) to ensure that the FSMC has credited it for the value of all USDA donated foods received for use in the SPONSOR's food service in the school year including the value of USDA donated foods contained in processed end products. [7 CFR 250.51(a)]

- 7.5 Comprehensive Insurance. The FSMC shall obtain and keep in force during this contract, for the protection of the SPONSOR and the FSMC, Comprehensive General Bodily Injury and Property Damage Liability Insurance in the combined single limit of no less than one million dollars (\$1,000,000). The FSMC shall deliver to the SPONSOR a certificate evidencing such policies and coverage within thirty (30) days after the execution of this contract by the parties. The insurance policies shall contain a covenant by the issuing company that the policies will not be canceled unless a thirty (30) day prior written notice of cancellation is given to the SPONSOR. The policies for one million dollars (\$1,000,000) coverage shall also name the SPONSOR as an Additional Insured, but only with respect to operations of the FSMC under this contract.
- 7.6 Waiver of Insurance Subrogation. Absent negligence of either party, neither party has any obligation or responsibility for loss or damage to the other's real or personal property that is caused by fire, extended coverage perils, vandalism, or malicious mischief.
- 7.7 Indemnity. Unless otherwise expressly provided, both parties shall defend, indemnify, and hold each other harmless from and against all claims, liability, loss, and expense, including reasonable costs, collection expenses, and attorney's fees incurred, which arise by reasons of act or omission of the indemnifying party, its agents, or its employees in the performance of its obligations under this contract.
- 7.8 Trade Secrets. During the term of this contract, the FSMC shall designate any information it considers confidential or proprietary, including recipes, surveys and studies, management guidelines, operating manuals, and similar documents regularly used in the operation of the FSMC's business. Information so designated and identified shall be treated as confidential by the SPONSOR, and the SPONSOR shall exercise the same level of care in maintaining the confidences of the FSMC as it would employ in maintaining its own confidences. All recipes, files, records, compilations, manuals, and similar items shall remain the exclusive property of the FSMC and shall be returned to the FSMC immediately upon termination of this contract.
