- 1.2. **Benton-Franklin HMIS Collaborative or the HMIS Collaborative** means a County administered, cooperative agreement of 2163 Homeless Housing and Assistance fund recipients and homeless service providers obtaining, sharing, and utilizing data for input into the Washington State HMIS operated by the Dept. of Commerce.
- 1.3. **CFR** means Code of Federal Regulations. All references in this Agreement to CFR chapters or sections shall include any successor, amended, or replacement regulation.
- 1.4. **Client or clients** means individuals who are eligible for services under this Agreement.
- 1.5. **Compliance With Fair Market Rent (FMR) and Occupancy Standards:** Contractor agrees to comply with all FMR and occupancy standards set forth herein. FMR and occupancy standards are defined as gross rent estimates provided annually by HUD. They include the shelter rent plus the cost of all tenant-paid utilities, except telephones, cable or satellite television service, and internet service. HUD sets FMR to ensure that a sufficient supply of rental housing is available to housing program participants. To accomplish this objective, FMRs must be both high enough to permit a selection of units and neighborhoods and low enough to serve as many low-income families as possible. Occupancy standards are set by Benton County Department of Human Services according to Public Housing and HUD requirements and determine the size of a housing unit a household may occupy.
- 1.6. **Dept. of Commerce** means the Washington State Department of Commerce.
- 1.7. **Eligible Activities** for Homeless Housing and Assistance funds, as set forth in RCW 43.185C.050(2), are as follows:
- rental and furnishing of dwelling units for the use of homeless persons;
 - costs of developing affordable housing for homeless persons, and services for formerly homeless individuals and families residing in transitional housing or permanent housing and still at risk of homelessness;
 - operating subsidies for transitional housing or permanent housing serving formerly homeless families or individuals;
 - services to prevent homelessness, such as emergency eviction prevention programs including temporary rental subsidies to prevent homelessness;
 - temporary services to assist persons leaving state institutions and other state programs to prevent them from becoming or remaining homeless;
 - outreach services for homeless individuals and families;
 - development and management of local homeless plans including homeless census data collection; identification of goals, performance measures, strategies, and costs and evaluation of progress towards established goals;
 - rental vouchers payable to landlords for persons who are homeless or below thirty percent of the median income or in immediate danger of becoming homeless; and
 - other activities to reduce and prevent homelessness as identified for funding in the Benton and Franklin Counties' Five-Year Homeless Housing and Assistance Plan.

1.8. Eligibility for Assistance – Definition of Homeless: Households are homeless if they are unsheltered or residing in a temporary housing program, as defined below.

- a. Living outside or in a place that is not designed for, ordinarily used as a regular sleeping accommodation for human beings, including a vehicle, park, abandoned building, bus or train station, airport or campground;
- b. Fleeing or attempting to flee violence, dating violence, sexual assault, stalking, human trafficking, or other dangerous or life-threatening conditions that relate to violence against the household's members(s), including children, that have either taken place within the household's primary nighttime residence or has made the household member(s) afraid to return to their primary nighttime residence;
- c. Residing in a temporary housing program including shelters, transitional or interim housing, and hotels and motels paid for by charitable organization or government programs;
- d. Exiting a system of care or institution where they resided for 90 days or less AND who resided in an emergency shelter or place not meant for human habitation immediately before entering that system of care or institution;
- e. Residing in a trailer or recreational vehicle that is parked illegally or in a location that is not intended for long-term stays (i.e. parking lots).
- f. At imminent Risk of Homelessness: Households are at imminent risk of homelessness if they will lose their primary nighttime residence (including systems of care or institutions) within 14 days of the date of application for assistance, AND no subsequent residence has been identified, AND the household lacks the resources or support networks needed to obtain other permanent housing.

1.9. Eligibility Verification and Documentation means all agencies that receive funds provided under this Agreement are required to maintain adequate documentation of clients' homelessness status to determine the eligibility of persons being served. The documentation is obtained from the participant or a third party at the time of the referral, entry, or intake. A self-declaration can be obtained if no third-party documentation is easily available. A copy of the documentation shall be maintained in the client file and shall be provided to County upon request.

- a. **Short-term Shelter and/or Services Provided to Persons Living on the Street.** In this case, it is sufficient for the service provider to confirm and document that the persons served indeed reside on the street or are otherwise homeless.
- b. **Long-term Emergency Shelter/Transitional Housing Provided to Persons Living on the Street or in Short-term Emergency Shelter.** Information shall be obtained verifying the client is living on the street or in a short-term emergency shelter. This information may include the names of organizations or outreach workers who have assisted the person in the past, whether the client receives any general assistance checks, and where the checks are delivered.

If a person is coming from transitional housing for homeless persons, the Contractor shall obtain written verification from the transitional housing facility, as well as written verification that the person was homeless prior to living in the transitional housing facility (see above for required documentation).

For persons from a short-term stay (up to 30 consecutive days) in an institution, who previously resided on the street or in an emergency shelter, the Contractor shall obtain written verification from the institution's staff that the participant has been residing in the institution for less than thirty-one (31) days and information on the previous living situation.

If a person is being discharged from a longer stay in an institution, the Contractor shall obtain evidence from the institution's staff that the client was being discharged within the week before receiving homeless assistance. The Contractor shall also obtain

information on the income of the person, what efforts were made to obtain housing, and why, without the homeless assistance, the person would be living on the street or in an emergency shelter.

For persons fleeing violence, Contractor shall obtain written verification from the participant that he or she is fleeing a violent situation. Homeless & At Risk Definitions

Households are homeless if they are unsheltered or residing in a temporary housing program, as defined below.

Unsheltered Homeless:

Living outside or in a place that is not designed for, or ordinarily used as a regular sleeping accommodation for human beings, including a vehicle, park, abandoned building, bus or train station, airport, or campground.

Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, human trafficking, or other dangerous or life-threatening conditions that relate to violence against the household member(s), including children, that have either taken place within the household's primary nighttime residence or has made the household member(s) afraid to return to their primary nighttime residence.

Sheltered Homeless:

Residing in a temporary housing program including shelters, transitional or interim housing, and hotels and motels paid for by charitable organizations or government programs.

Residing in a trailer or recreational vehicle that is parked illegally or in a location that is not intended for long-term stays (i.e. parking lots).

At Imminent Risk of Homelessness

Households are at imminent risk of homelessness if they will lose their primary nighttime residence (including systems of care or institutions) within 14 days of the date of application for assistance, AND no subsequent residence has been identified, AND the household lacks the resources or support networks needed to obtain other permanent housing.

Screening Process

For households who are determined to be homeless or at risk of homelessness, the intake specialist continues with a full assessment.

Step One Determines:

- Household Information
- Income/Housing Information
- Household Characteristics
- Housing Status
- Use the prioritization tool to see if client/household meets minimum criteria

Step Two Determines:

1. If the client does not meet minimum criteria:
 - Diversion techniques will be utilized
 - A community resource guide will be available to guide the client
2. If the client is at imminent risk:
 - Additional paperwork will be obtained
 - A referral will be made to an eviction prevention program (subject to available funds)
 - Partner agencies will notify the HRC worker within 7 days of the clients appointment to let the HRC staff know the outcome of the referral
 - Data will be entered into HMIS
3. If the client is homeless:
 - Barriers will be determined
 - Level of engagement will be determined
 - Additional paperwork will be obtained

- A referral will be made to a rapid rehousing program (subject to available funds)
- Partner agencies will notify the HRC worker within 7 days of the clients appointment to let the HRC staff know the outcome of the referral
- Data will be entered into HMIS

Applicants are seen on a first come / first served basis. Should there be multiple applicants for a single program opening, clients will then be prioritized for service. For example: (1) Chronically homeless (2) unsheltered literally homeless and then (3) sheltered literally homeless.

Referral Process

Clients whom are determined eligible will receive an assessment based on individual need. Referrals to agency partners will be made based on program eligibility. HRC staff monitor openings each day based on direct communication with partner agencies that routinely notify HRC staff of new openings as they become available. The process will include the following:

- Determine which program is most suitable and has a current opening
- Contact the agency to schedule an appointment for the referred household
- Within seven (7) business days after the scheduled appointment, the agency will notify HRC with the HRC Referral Letter outcome whether the client was accepted into the program or why the household was turned away. Programs must provide a qualifying reason to deny a referral.
- Client data and HMIS number will be shared with the referral agency

If an agency sends a client to HRC for prescreening and assessment and would like the client referred back to their program, the agency must submit this request in writing. If their program is the most suitable for the client, HRC will make every effort to honor the request.

Partner Agreements

Agency partner agreements will be required for all agencies receiving funds through Benton and Franklin Counties Department of Human Services and any other community agency wanting to participate in the coordinated entry system. Agreements will include the following:

- Partnership agencies must make a good faith effort to serve clients who are referred by HRC
- Partnership agencies will notify HRC within seven (7) business days after the scheduled appointment if the client has been accepted into the program, or if a referral is turned away and provide an explanation
- Partnership agencies will be represented in CEC (CES Evaluation Committee)
- Partnership agencies will send walk-in or phone inquiries to HRC for a prescreening

HMIS Data Collection and Entry

Accurate and timely HMIS data is essential to the success of the HRC. Each household receiving an assessment will be entered into HMIS using the universal data collection requirements by HRC. If a household is already part of the HMIS then their information will be updated by HRC.

- All information will be scanned into each household's HMIS profile.

- When a referral is made to a partner agency the HMIS household identifier will be provided so that the partner agency can have access to household data.
- When the partner agency accepts the household into their program then they need to update the HMIS showing program enrollment and services received.
- Audits of HMIS data entered by partner agencies are performed regularly.

System Evaluation

System evaluations will be performed annually and the methods will include HMIS data, Department of Commerce Dashboard reports, and CEC feedback.

CES Evaluation Committee (CEC)

Benton and Franklin Department of Human Services will hold CEC quarterly to discuss and evaluate HRC. This gives an opportunity to provide feedback, what is working, resolve issues and conflicts and suggest improvement for the program. Partnerships will be developed with housing providers, service providers, mental health agencies and shelters.

Benton and Franklin Counties Department of Human Services may issue revised or new Guidelines at any time. Revised copies will be sent as they are published.
