Board of County Commissioners

Franklin County Commissioners

Franklin County, WA

December 20, 2022

Honorable Commissioners:

We, the following elected officials of Franklin County, would like to recognize the leadership of the Board of Commissioners, and the Chairman. We commend their overall choices this past year, in meeting the demanding needs of the county, in the selection of the interim County Administrator, in working through a difficult budget session, and with having several Human Resource vacancies. We would like to express our support, and ask the board to consider having Commissioner Didier serve another term as Chair, as well as have Commissioner Mullen serve as Chair Pro Tempore. The Chair and Pro Tempore's leadership, and working relationship, with the current administration, and the below signed elected officials, has been valuable during a challenging period, which needs to continue during this transition period.

Respectfully,
