DATE SUBMITTED: 03/15/2023	PREPARED BY: Liz Cupples
Meeting Date Requested: 03/28/2023	PRESENTED BY: Liz Cupples
ITEM: (Select One) X Consent Agenda	
Brought Before the Board Time needed:	
SUBJECT: Radio Equipment Purchase from Walla Walla County – Bill of Sale	
FISCAL IMPACT: Emergency Communications Budget 13902 - \$15,000	
<p>BACKGROUND: Walla Walla County Dispatch Center (WESCOM) recently upgraded radio communications equipment throughout the county and are looking to sell the used equipment. The equipment for sale is the same vintage with like manufacture/model as our current radio communication infrastructure. The age of our equipment makes it difficult to find replacement parts, so it is advantageous for Franklin County Emergency Communications to obtain this equipment as spares.</p> <p>In order to get an acceptable price on the equipment, we agree to take all parts and pieces of their used equipment, even if we don't have a use for some items. On the attached Radio Communication Equipment List (property details from Walla Walla's list), I've noted in the "Property Allocation" column which equipment would become Franklin County Property, released to City of Richland or disposed. We will properly dispose of unwanted items by delivering them to Goodwill e-Recycle Center in Pasco. Franklin County proposed acquired equipment has an estimated value of \$31,786.50.</p> <p>It was discussed and recommended by legal to get Commissioner approval due to the sale of goods would indemnify Walla Walla County.</p>	
COORDINATION: Steve Ruley, WESOM Manager; Jesse Nolte, Walla Walla County Chief Civil DPA; Michael Namchek, Franklin County Telecom Engineer; Liz Cupples, Information Services Director; Jen Johnson, Chief Civil DPA.	
RECOMMENDATION: It is my recommendation to approve the purchase of radio communication equipment from Walla Walla County and sign the Bill of Sale provided by Walla Walla.
