Dear Volunteers,

On behalf of Franklin County, I would like to extend our deepest gratitude to each and every one of you who gave your time, energy, and even resources to support the HAPO Center Clean-Up project.

Your dedication and hard work were truly inspiring. Whether you were hauling debris, scrubbing surfaces, organizing supplies, or simply lending a helping hand wherever it was needed, you made a tremendous difference. Thanks to your efforts, the HAPO Center is now a cleaner, more welcoming place for everyone who uses it.

We also want to acknowledge those of you who went above and beyond by donating materials and supplies. Your generosity played a vital role in making this clean-up a success, and we are sincerely thankful for your willingness to contribute not just your time but also your personal resources to the cause.

Efforts like this show the power of community and teamwork. We are proud to have had such an incredible group of volunteers—both employees and non-employees—come together to make a positive impact.

Thank you once again for your time, dedication, and generosity. We truly couldn't have done it without you.

With appreciation,

The Franklin County Board of Commissioners
